

V3 MLOK Handguard

For use with SIONICS 10.8" , 13.5" , 14.125" & 15" Handguard

Installation Guide:

Barrel Nut Torque: 50 Ft-Lbs

Barrel Nut Fasteners: 30 In-Lbs For outer bolts and 40 In-Lbs for inner bolt / Cam Nut

Barrel Nut Wrench Size: 1-3/16th Inch Crows Foot Wrench

We Recommend a small amount of Loctite 243 Threadlocker on the Barrel Nut Cross Bolts. We also recommend a small amount of Copper Based Anti-Seize (Loctite 8008) on the Barrel Nut Threads.

Should you have any questions at all about installation, please give us a call at 520-396-3460
