

SIONICS OVERWATCH™

A MISSION-GRADE PRECISION RIFLE BUILT FOR PROFESSIONALS AND PATRIOTS ALIKE.

Built on the renowned SIONICS AR15 platform, the Overwatch Rifle is a high-precision, semi-automatic rifle designed for life-saving law enforcement & operations and demanding civilian use from hunters to marksmen.

SIONICS Weapon Systems was established in 2010 out of a need to produce the most reliable Law Enforcement Duty Rifle manufactured.

SIONICS Weapon Systems manufactures 100% of our parts in the United States of America and maintains the Strictest QC and Manufacturing Standards. SIONICS Weapon Systems does not believe in Batch Testing and individually tests each part that ultimately ends up being part of every Rifle that we produce.
